1955 Hemerocallis Introductions

The Cream of the Crop

CONCERTO

A Beautiful blending to give a different color note. A self of deep rose pink with a hint of blue and a green throat. 5½ inch flowers on well branched scapes, sun resistant and reblooms. Dormant. Early midseason, 32 inches..... \$20.00

ELUSIVE

This low growing pink has great charm. Safrano Pink self (Ridgway) with wide ruffled petals. Beautifully formed and though it looks dainty and ethereal it has heavy substance and is just as beautiful at the end of the day as in the early morning. Reblooms, Dor. Early 24 to 28 inches \$25.00

HOBBY

A 6 inch flower of shrimp pink, a self with a green throat. The flower opens wide and is slightly ruffled. Petals are 1½ inches and sepals 1 inch. Has good substance and will take full sun. Dormant. Early, 36 inches \$20.00

PREVIOUS INTRODUCTIONS

DAINTY DEB

Baby ribbon pink. A seedling of Pink Dream, Venetian pink (Ridgway color chart). A self with a little green deep in the throat. 6 inch flower, petals ruffled and slightly recurved. Diamond dusted and sun resistant, remains open late. 25 or more buds to scape. Very dainty and lovely. Midseason, deciduous, 34 inches \$10.00

DAHLONEGA NUGGET

A pure orange self, 5½ to 6 inch flowers on 3 foot erect scapes. Large and wide with very heavy substance and rich color that is completely sun resistant on hottest days, well branched, vigorous early midseason, reblooms, dec..... \$ 3.00

GRATITUDE

This rich beauty is almost indescribable. Apricot and rose, wide heavily fluted overlapping petals. Sepals, throat, outer edges of petals and media line apricot with a brushing of rose midway on petals. Retains its fresh crisp appearance into the night. Well branched, fragrant, de. 3 feet. \$5.00

IVORY CASTLE

5½ inch star like flowers that open wide and flat. Naples yellow with a faint eye-zone of Japan rose set deep in the throat. Firm substance and even more attractive after color bleaches to ivory by afternoon. Midseason, de. 2 to 2½ ft. \$5.00

JUNE MAID

A beautiful buff yellow self of large size. Excellent in form and substance with satin smooth texture. The 6 inch flowers with 1¾ inch overlapping petals open wide showing a greenish cast in throat. Just as fresh in late afternoon as in the morning. Vigorous, generous with buds and repeats. Early midseason, deciduous, 30 inches \$4.00

PARFAIT

This one is cool and refreshing for hot summer days. A bi-color different than any we have seen. Sepals and throat Lemon and outer portion of petals Japan rose. 7 inch flowers, narrow segments, sun proof substance. Visitors to the garden always want it. Midseason, deciduous, 40 inches. \$3.00

PEGGY CHILDS

Another lovely seedling of Pink Dream. The color is a shade deeper with wider segments. Wide open 6 inch flowers slightly recurved, a smooth self with color going deep into small greenish yellow throat. We consider this our best pink. Sun-resistant, vigorous, early midseason, de. 3 ft. \$25.00

PINK DREAM

This lovely true pink has received an award and climbed high in the popularity poll. 5 inch flowers, remarkable substance enables it to take full sun and remain fresh late into the evening. Increases rapidly, reblooms, early midseason, de. 3 ft. \$5.00

SMILING BEAUTY

A 5 inch flower of beautiful color which is neither pink nor orange but a suffusion of both, bittersweet pink with grenadine throat by Ridgeway. Full formed regal flowers of heavy substance and velvety texture, petals are slightly ruffled. Midseason, de. 34 inches \$7.50

STOPLIGHT

6½ inch carmine red flowers of the spider type. Both petals and sepals recurve and twist gracefully. Contrasting green throat suggested the name. Sun resistant, late, de. 3 ft. \$7.50
